

CHRISTMAS LIGHTING & DÉCOR

LONG BEACH TERRACE THEATER

WE ARE THE COMMERCIAL CHRISTMAS DÉCOR EXPERTS!

St. Nick's does it all: we imagine, build, & install large Christmas displays.

Since 1998, we have delivered the brightest, most technologically advanced, and most beautiful Christmas decorations for airports, casinos, shopping centers, churches, office lobbies, hotels, restaurants, amusement parks, home owner associations, and many municipalities in California. are now also proudly serving northeast communities near the Columbus, Ohio area, too.

Fresh Cut Tree

St. Nick's is able to provide you with fresh cut Douglas Fir trees, delivered and set up at your facility. Live trees are a nice change up from traditional artificial trees because they are naturally beautiful and have that fantastic pine smell. Real Christmas trees are biodegradable, which means they can be easily reused or recycled for mulch and other purposes. All of our trees are Oregon grown, and vary in size from 6FT to about 45FT.

LIVE

TREES

Also Available: Fancy metal fencing with custom cut outs (Christmas trees, snowflakes, presents, etc.)

Florals

Add sparkle berry sprays, peacock sprays or jeweled poinsettias to your Christmas tree. Available in white, champagne, blue, teal, amber, green, purple, red, burgundy, yellow, peach and multicolored.

ECORATIONS

METAL OR WOOD

• Picket fencing to surround your trees, presents and decorations • Crowd control for your investment • Pre-assembled and ready to install

We can provide a fresh cut pine or artificial pre-lit tree. Adorned with beautiful ornaments, installed and removed, hassle free. Every package is unique and customized specifically for you by our holiday designers. Packages include a wide variation of ornaments, including floral mesh, finials, jeweled ornaments, florals and specialty ornaments and ribbon.
